EXTENSION REQUEST

#25-5704

Jeanie Reese PETITIONER vs. SPS (Select Portfolio Services)

December 1st, 2025

Honorable Justices, I'm in need of an extension of time from December 1st to December 20th in order to take care of the "print and pay" order. My printer, Alpha Graphics in Irvine, CA, states that perfect binding booklets can take from 5 to 7 days.

On November 21st at 8:46 AM (PST), I talked to a clerk for 6 minutes, 39 seconds. I was instructed that I didn't need to pay a court fee being *INFORMA PAUPERIS*, and that I could file a petition for rehearing for \$200, and send 10 copies of it on 8 1/2 X 11 paper.

On December 1st, I called the clerk's office at 8:29 AM PST. I was instructed that the prior information given was incorrect and that the court ordered that I submit new petition copies in "print and pay" format according to RULE 33.1.

Discovering this on December 1st, the deadline, there is not enough time to get the re-submission done. I apologize for being confused by the docket entry thinking it was about the fee.

The clerk's office has cleared it up for me what the order was.

Thank you for your consideration.

Sincerely,

Jeanie Reese
