RE: Corrected Request for Motion for Extension of Time
to File Writ of Certiorari previously requested by letter dated
December 22, 2025

Dhurata & Arian Ametaj, 15 Loveland Road Revocable Trust Trustees
vs.

Pamela Julian
Massachusetts Supreme Court
Docket No. FAR 30503

Dear Clerk:

Pursuant to Rule 30, I Pamela Julian, pro se petitioner,
respectfully submit this corrected request that the time for
filing the petition of writ certiorari and appendix be extended
by 60 days up to and including May 11, 2026. The writ of
certiorari is due on March 11, 2026. Good cause exists for the
requested extension. The pro se petitioner is financially
eligible for legal assistance. The petitioner is actively
seeking necessary legal counsel to review the complex legal
issues. The petitioner is diagnosed with stress and hypertension
warranting the petitioner to retain essential legal counsel and
legal clinic assistance. The extension of time will allow the
petitioner to work with legal counsel and clinic counsel in
order to prepare and submit a sufficient writ of certiorari.
This requested extension of time will make possible the required
preparation that would be most helpful to this Court.
