

No. 25A803

IN THE SUPREME COURT OF THE UNITED STATES

SUPPLEMENTAL NOTICE REGARDING DENIAL OF STAY IN LOWER COURT

AND IMMINENT SENTENCING

To the Honorable Chief Justice and Associate Justices of the Supreme Court of the United States:

Petitioner **Henry T. Wade**, proceeding pro se, respectfully submits this **Supplemental Notice** in support of his **Emergency Application for Stay Pending Certiorari** in **No. 25A803**, to advise the Court of material developments requiring immediate attention.

1. On **January 14, 2026**, the United States District Court for the Middle District of Florida **denied Petitioner's motion to stay sentencing and hold proceedings in abeyance**.
2. As a result of that denial, **no further relief is available in the lower courts**, and Petitioner has fully exhausted all avenues for a stay below.
3. **Sentencing is currently scheduled for January 15, 2026**, and will impose immediate and irreversible consequences, including custodial exposure, forfeiture enforcement, and collateral legal effects that cannot be undone absent intervention by this Court.
4. Petitioner's **Emergency Application for Stay Pending Certiorari**, filed pursuant to **28 U.S.C. § 2101(f)** and **Supreme Court Rule 23**, therefore presents an issue of urgent timing requiring **immediate action to preserve this Court's ability to grant meaningful relief**.

Petitioner respectfully submits this Supplemental Notice to ensure that the **Circuit Justice and the Court are promptly advised** of the denial of relief below and the imminence of sentencing.

Respectfully submitted,

Henry T. Wade
