Petition to Waive Filing Fee Due to Veteran Status

Affidavit

I, Brandon S. LaVergne, the plaintiff in the above entitled matter do declare I am a Active duty US Army Veteran with a general discharge UNDER HONORABLE CONDITIONS. It was my intention to pay the $300.00 filing fee as I had sent said filing fee to this court with my first attempted at filing this petition. But the prison shut down my prisoner account this past weekend without telling me anything. This prevents me from using the phone, email system, or receiving money. Without my ability to receive the money I was waiting for it forced me to go ahead and ask for this waiver. I had previously asked for this waiver and sent the payment at the same time. Through no fault of my own I am unable to send the fee and have no choice but to file the waiver instead.

Conclusion: Due to my veteran status I ask that the fee be waived.

Affidavit: I Brandon S. LaVergne do declare under the penalty of perjury these facts are true and correct.
