Re: *Douglas B. Moylan v. Guam Society of Obstetrician and Gynecologists, et al.* No. 26-22

Dear Mr. Harris:

I represent respondent Lourdes A. Leon Guerrero, the Governor of Guam, in this case. The petition for a writ of certiorari was filed on July 1, 2026, and was docketed on July 7, 2026. The Court called for a response on August 26, 2026. Respondent's brief in opposition is currently due on September 25, 2026.

Pursuant to Rules 15.3 and 30.4 of the rules of this Court, respondent respectfully requests an extension of time within which to file a brief in opposition. Respondent Dr. William Freeman has requested a 60-day extension of time, to and including November 24, 2026. Governor Leon Guerrero respectfully requests that the Court grant the Governor an equal extension to that granted to Dr. Freeman, so that the briefs in opposition will remain due on the same day. At a minimum, Governor Leon Guerrero requests a 30-day extension of time, to and including October 25, 2026.

The extension is requested to maintain the organized briefing schedule and to enable undersigned counsel to prepare a brief in opposition that will best assist the Court in its consideration of the petition, due to the press of preexisting business both before this Court and elsewhere.

Sincerely,

Paul W. Hughes
