Re: *King v. Foster*, No. 26-232

Dear sir:

I am writing to request a 30-day extension of the time for filing the brief in opposition in this case. The brief in opposition is currently due on September 23, 2026. If the extension were granted, the brief in opposition would be due on October 23, 2026.

I am the attorney primarily responsible for preparing the brief in opposition. I am also responsible for preparing the merits reply brief in *Younge v. Fulton Judicial Circuit District Attorney's Office*, No. 25-352, which is due on September 2, 2026. I am scheduled to be outside the United States from September 7, 2026 until September 18, 2026.

Yours sincerely,

Eric Schnapper
Counsel for Respondent
