Re: *US Patent No. 7,679,637 LLC v. Google LLC, No. 26-236*
 Notice of Amici Curiae Intent to File in Support of Petition for a Writ of Certiorari

Dear Mr. Harris:

I am counsel of record for petitioner US Patent No. 7,679,637 LLC in the above-captioned case. I write to advise the Court that *amicus curiae* briefs in support of the petition are expected to be filed on or before the deadline set by Rule 37.2(a).

The petition was docketed on August 24, 2026. Respondent Google LLC filed a waiver of its right to respond on August 25, 2026, and the petition was distributed on August 26, 2026 for the Court's conference of September 28, 2026. Under Rule 37.2(a), *amicus curiae* briefs in support of the petition are due on or before September 23, 2026.

Petitioner has been informed that two *amicus curiae* briefs in support of the petition are being prepared for filing on or before that date:

- (1) one prepared by the Emory Law School Supreme Court Advocacy Program; and
- (2) one prepared by Charles E. Miller of the Association of Amicus Counsel.

Unless the Court calls for a response, in which event Rule 37.2(a) would set a new deadline for *amicus* filings, those briefs are expected to be filed by September 23, 2026, so that the Court may have the benefit of them when it considers the petition at the September 28, 2026 conference.

Petitioner respectfully requests that a copy of this letter be distributed to the Court.

Respectfully submitted,
/s/ KJ Miller
