Re: United States et al. v. Nicolas Talbott et al. (No. 26-272)

Dear Mr. Harris:

I am counsel for respondents Nicolas Talbott et al. in the above-referenced matter. The petition for certiorari was filed on August 27, 2026. Respondents response is currently due on October 1, 2026. I write to respectfully request, pursuant to Rule 30.4, an extension of time of 30 days to file the response to the petition, such that the response would be due on November 2, 2026.

The requested extension is warranted because I have significant pre-existing commitments that will interfere with the preparation of the response. These commitments include multiple appellate and trial court briefs and several federal court arguments.

Many thanks for your consideration of this request.

Respectfully submitted,

/s/ Jonathan D. Hacker
