Re: Distribution of Petition for a Writ of Certiorari in *FS Medical Supplies, LLC v. Tanner Pharma UK Limited, et al.* No. 26-339

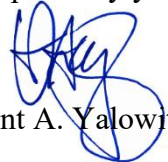

Dear Mr. Harris:

The petition for a writ of certiorari in the above-captioned action was docketed on September 14, 2026. Amicus briefs in support of Petitioner are due on October 14. Respondents have all waived their right to file a brief in opposition, thus making the petition eligible for distribution in advance of the deadline for amicus briefs.

The Washington Legal Foundation (WLF) has informed Petitioner that it intends to file a brief in support of Petitioner. WLF is a nonprofit, public-interest law firm and policy center with supporters nationwide. It promotes free enterprise, individual rights, limited government, and the rule of law. As the Court is aware, it often appears as an amicus curiae in this Court.

Petitioner respectfully requests that the petition be distributed for consideration at a conference after the October 14 amicus deadline so that the Court has the benefit of the amicus briefing in deciding whether to grant the petition. If the petition is distributed before the amicus deadline, Petitioner respectfully requests that this letter be circulated with the petition.

Respectfully yours,

Kent A. Yalowitz
