Re: *Affirmed Energy v. Federal Energy Regulatory Commission*, No. 26-404

Dear Mr. Harris,

I am counsel of record for Respondent PJM Interconnection, L.L.C. (“PJM”), which was an intervenor in the court below. I am joined in this letter by Jeffrey Mayes, counsel of record for Respondent Independent Market Monitor (“IMM”), also an intervenor in the court below.

The current due date for PJM’s and IMM’s briefs in opposition to the petition for writ of certiorari is October 23, 2026. Pursuant to Rule 30.4 of the Rules of the Supreme Court, PJM and IMM respectfully request an extension of time of 30 days, to and including Monday, November 23, 2026, for the filing of their briefs in opposition.

The additional time requested is necessary to allow PJM’s and IMM’s counsel sufficient time to prepare thorough and helpful submissions to the Court and to accommodate counsel’s pending obligations in other cases. Counsel for Petitioner Affirmed Energy was informed of this request and does not object. Counsel for Respondent Federal Energy Regulatory Commission did not respond before this letter was filed.
