Re: Request for extension of time to file response to petition
Petersen Energia Inversora, S.A.U., et al. v. Argentine Republic, et al.
S. Ct. No. 26-442

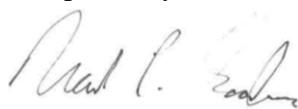

Dear Mr. Harris,

I am counsel for Respondent YPF S.A. ("YPF") in the above-mentioned case.

Petitioners filed their petition for a writ of certiorari on September 30, 2026. YPF's brief in opposition is currently due on November 2, 2026. Pursuant to Supreme Court Rule 30.4, YPF respectfully requests a 30-day extension of time, to and including December 2, 2026, within which to file its brief in opposition.

This is YPF's first request for an extension of time. Good cause exists for the requested extension. Counsel have learned of prospective amicus participation in support of the petition, and the requested extension would promote efficiency by allowing YPF to consider and, as appropriate, address any arguments advanced by those amici in its brief in opposition. In addition, counsel have substantial preexisting professional commitments in other matters during the current briefing period.

Respectfully submitted,

Mark P. Goodman
