CONCLUSION.....	1

SUMMARY OF ARGUMENT

As explained below, Respondents National TPS Alliance, *et al.*, do not oppose the government's request that this Court grant certiorari, vacate the decision below, and remand in light of intervening relevant authority.

ARGUMENT

Respondents agree that the premises of the decision below have been altered by this Court's intervening decision in *Mullin v. Dahlia Doe*, 146 S. Ct. 2121 (2026). For that reason, Respondents agree with the government that it is appropriate that the Court grant, vacate, and remand to the court of appeals under these circumstances.

CONCLUSION

For the foregoing reasons, Respondents do not oppose the government's request that the Court grant review in order to vacate and remand.

Respectfully submitted,
