LARRY GILBERG,
Petitioner,

v.

POWER ARCHITECTS CORPORATION,
Respondent.

On Petition for a Writ of Certiorari to the
Court of Appeal of the State of California,
Sixth Appellate District

CERTIFICATE OF COMPLIANCE

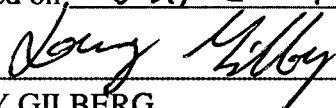

As required by Supreme Court Rule 33.1(h), and in connection with the foregoing Petition for a Writ of Certiorari prepared in the format authorized for parties proceeding in forma pauperis under Rule 33.2, I certify that the petition complies with the applicable length limitations.

The petition is 26 pages in length, exclusive of the cover and the proof of service, and therefore does not exceed the 40-page limit prescribed by Rule 33.2.

The text of the petition contains approximately 6,491 words, excluding the questions presented, the table of contents, the table of authorities, the list of parties, and the appendix, which are not counted toward the limit under Rule 33.1(d). The petition therefore does not exceed the 9,000-word limit prescribed by Rule 33.1(d). The word count was generated by the word-processing system used to prepare the petition, set to include footnotes in the count.
