RE: *Inendino v. Nance-Holt, et al.*, No. 26-522

Dear Mr. Harris:

On November 2, 2026, the Court requested a response to the petition for a writ of certiorari by December 2, 2026.

I write on behalf of all respondents, pursuant to Supreme Court Rule 30.4, to respectfully request a 30-day extension of time, to and including January 4, 2027.

This is the first request for an extension of time. I have other pressing work responsibilities consistent with management and supervision of all appeals involving the City of Chicago and its employees. In addition to various administrative responsibilities, I will be assisting our attorneys in preparation for oral argument, editing numerous briefs, and preparing for and participating in mediation in a significant matter. An extension of time will provide adequate time to prepare a response that will better assist the Court in its consideration of the petition.

For these reasons, we request additional time for all respondents to file a response to the petition. Thank you for your consideration.

Sincerely,

s/ Myriam Zreczny Kasper
