Re: *Sales v. Guerrero*, No. 26-5336

Dear Mr. Harris:

A response in this death penalty case is due September 17, 2026. Respondent respectfully requests a thirty-day extension of the present deadline. If granted, the response will be due October 17, 2026. This is Respondent's first request for an extension in this case. This request is not sought for an improper purpose, including unnecessary delay. Rather, the undersigned requires additional time because the records in Petitioner's case are voluminous, and the undersigned requires additional time to review them and formulate a response. The undersigned has also spent time in the last month managing his own caseload, including submitting filings in his cases. Additionally, counsel for Petitioner stated that they are not opposed to this requested extension. A copy of this letter will be sent to counsel. Thank you for your consideration.

Respectfully submitted,

s/ Ali M. Nasser
