MOTION FOR LEAVE TO PROCEED IN FORMA PAUPERIS

Pursuant to Supreme Court Rule 39 and 28 U.S.C. § 1915, Petitioner Latosha A. Ward respectfully requests leave to proceed in forma pauperis before this Court and asks that she be permitted to file the accompanying Petition for a Writ of Certiorari without the payment of filing fees and on standard 8.5 by 11-inch paper in lieu of booklet form.

In support of this Motion, Petitioner states the following:

Prior Pauperis Status: Petitioner was previously granted leave to proceed in forma pauperis by the United States Court of Appeals for the Fourth Circuit (Appeal No. 25-2131).

Financial Status and Hardship: As detailed in the attached Form 4 Affidavit, Petitioner is a natural person currently facing an active housing and financial crisis. Petitioner and her dependents have been completely displaced from their primary home at Careme Court, and her vehicle, personal property, and valid home insurance claims have been actively blocked or seized by Respondents without human judicial review on the true merits.

No Liquid Assets: Due to the ongoing systemic litigation and financial abuse perpetrated by the corporate and individual Respondents, Petitioner is entirely without the liquid capital necessary to pay the standard \$300.00 filing fee or to cover the hundreds of dollars in professional printing costs required for a 40-copy bound booklet submission.

Substantial Merit: As set forth in the accompanying Petition, this appeal presents substantial constitutional questions, context regarding the statement of the case, and the appendix records presented in the Petition for a Writ for Certiorari.

Accordingly, Petitioner respectfully requests that this Court grant her leave to proceed in forma pauperis, waive the standard filing fees, and accept her single original unbound Petition on standard letter-sized paper.

Dear Program Participant,

The North Carolina Address Confidentiality Program ("ACP") would like to provide information about changes that are taking effect this year or will take effect soon. Please be aware that this guidance does not constitute legal advice.

ACP 20th Anniversary.

This year marked the 20th anniversary of the North Carolina ACP. Recognizing the need to keep the address of relocated victims out of the public record, the NC legislature created the ACP in 2002 and charged the NC Department of Justice with implementing the program, and we enrolled the first ACP participant in 2003. The Department of Justice worked to educate the service providers, courts, and law enforcement about ACP. To date, the program has helped to keep thousands of individuals safe.

VOTER ID

On April 28, 2023, the NC Supreme Court reversed its decision in *Holmes v. Moore*, restoring the state's voter ID law, S.B. 824. Voters will be asked to show photo ID when voting in North Carolina, starting with the 2023 municipal elections. You may take advantage of one-stop absentee voting (commonly known as "early voting") which allows any registered voter to cast an absentee ballot in person on select days prior to Election Day. Unlike on Election Day, when registered voters can only vote at their specific precinct, one-stop voting allows registered voters to vote at any one-stop absentee voting site in the county.

In North Carolina, the address of registered voters is public record. However, the address of ACP participants must be kept confidential. To ensure that your address is kept confidential, you must present your ACP authorization card to your local elections board accompanied by a signed statement that you, the voter, have good reason to believe that your physical safety or the physical safety of a member of your family who resides with you would be jeopardized if your address were open to public inspection. Your address will be kept confidential as long as you remain a certified program participant in the Address Confidentiality Program.

REAL ID:

ACP program participants may apply for a driver's license using their ACP substitute address. This means that the address on the driver's license will be the substitute address. To apply for a driver's license using the substitute address, program participants should go to one of the state's driver's license offices and comply with Division of Motor

Re: Latosha Ward – Claim #0200[REDACTED]

Dear Sir or Madam,

Please be advised that this office represents Dr. Latosha Ward. I am herewith making immediate demand that USAA provide Dr. Ward with the payment of her automobile, which USAA agreed was totaled.

She has signed all the necessary paperwork, transferred her vehicle on behalf of USAA and has done everything she is required to. You mis-issued the check and have done nothing to correct that mistake and have created a significant problem for Dr. Ward.

Please contact this office immediately and let me know when we can expect the check for Dr. Ward and to no other party. Your failure to do so within the next five days will trigger litigation.

I would further remind you that where the payment of an accepted obvious claim is unreasonably delayed, and payment withheld from the insured invoked N.C.G.S. §58-63-102, more particularly sections 11, B, D, F, G, L, M, and these are particularly applicable in this case.

There is no reason why Dr. Ward should not have her check sent to her immediately. If you would like to discuss this matter with me, I would be happy to do so. I can be reached on the above number and this office is open Monday – Friday, 8:30 a.m. – 5:30 p.m.

I look forward to hearing from you that you will get this matter resolved as it should be, quickly, promptly, and without further delay.

Yours very truly,

James R. Nance, Jr., Esq.
