"29.1 Any document required or permitted to be presented to the Court or to a Justice shall be filed with the Clerk in paper form."

(Partly Quoted) "29.2 A document is timely fled if it is received by the Clerk in paper form within the time specified for fling;"

(Partly Quoted) "29.3 When a party is not represented by counsel, service shall be made on the party, personally, by mail, or by commercial carrier. Ordinarily, service on a party must be by a manner at least as expeditious as the manner used to file the documents with the Court."

Petitioner had originally serviced dated the included documents as signed on 05/05/2026 (with exception of the proof of service) and Petitioner had intentions of servicing the documents onto the parties listed on 05/05/2026, however, due to extensive legal preparation, the Petitioner was delayed servicing the parties until 05/06/2026 as this proof of service wholesomely supports.

On, 5/28/2026 the SCOTUS Clerks Office replied after inspecting my original files and advised me to file the petition for writ again with the necessary corrections and

amended proof of service within 60 days from the date of the letter. Included are the documents dated 7/27/2026 serviced onto all parties within 60 days of the clerks letter.

The names and addresses of those served are as follows: I declare under penalty of perjury that the foregoing is true and correct.
