Re: Damion Kent Hallmon v. United States

Dear Clerk:

Please find enclosed, in connection with the above-referenced case, an original and ten copies of each of the following documents: 1) Motion for Leave to Proceed In Forma Pauperis; and 2) Petition for Writ of Certiorari. Please also find enclosed a Certificate of Service with respect to the opposing parties.

Also enclosed for reference is the Court's deficiency letter dated September 24, 2026 and original stamped cover letter. The Petition for Writ of Certiorari has been revised on pages ii and iii to list all parties to the proceeding pursuant to Rule 14.1(b) as stated in the deficiency letter. (Page iii is the table of contents which notes the additional section). Please note, however that Rule 14.1(b) does not require a list of all parties to the proceedings if "the caption of the case contains the names of all the parties." In this case, the caption does contain the names of all parties. I have nevertheless made the change in order to avoid any further delay.

By copy of this correspondence, counsel for the opposing parties is also being served with a copy of the same documents.

Please contact me if there are any questions or problems.

Sincerely,

Jordan S. Kushner
