Re: *The Retail Property Trust v. Nassau County Department of Assessment*
Case No. 26-588 (2d Cir. No. 25-907; E.D.N.Y. No. 17-cv-02193-JS-AYS)
Unopposed Request for 30-Day Extension to File Opposition to Petition for a Writ of Certiorari

To the Clerk of the Court:

We represent Respondents Nassau County Department of Assessment, James E. Davis, as Acting County Assessor, the Nassau County Legislature, and the County of Nassau ("Respondents") in the above-referenced appeal. Pursuant to Supreme Court Rule 30.4, Respondents respectfully request a thirty (30) day extension of time to file their Opposition to Petition for a Writ of Certiorari, up to and including **January 4, 2026**.

We have conferred with counsel for Petitioner The Retail Property Trust, which has agreed to the requested extension.

The basis of this request is as follows: Petitioner's petition for a writ of certiorari in the above-entitled case was filed with the Supreme Court on October 30, 2026, and placed on the docket November 4, 2026. Respondents' response was accordingly set as being due on December 4, 2026.

Respondent's attorneys in this matter have substantial pre-existing obligations falling in the period between the filing of Petitioner's submission and Respondents' response deadline, including dispositive briefing in the Delaware Court of Chancery, multiple dispositive motions in New York Supreme Court, an Eleventh Circuit reply brief, a dispositive motion in the Northern District of Illinois, and reply briefs on dispositive motions in the Southern District of New York and the District of North Dakota, as well as, of course, the Thanksgiving holiday.

Given these conflicts, the undersigned respectfully requests a 30-day extension to the deadline for Respondents' response, on consent of Petitioner.

Thank you for your consideration in this matter. If any further information is required, please let us know.

Respectfully submitted,

Jonathan A. Sorkowitz
