CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

6th, 8th and 14th Amendment

Right to appoint Counsel
Specially when I am sick and
disabled and unable to represent
my self and have provided
document from my Dr. and
Declaration under oath.

STATEMENT OF THE CASE

I am still very sick and my Medical condition remain the same and it is preventing me from preparing this writ properly. Respondent's Doctors Operated and damaged the wrong organ of my Mother and concealed it from us and decided to Kill her with certain chemicals instead of treatment. The Doctors tried to drain bile fluid to a plastic bag, but they punctured my Mom's Lung and drained all the fluid damaging the lung. Because they operated and damaged the wrong organ they are required to give us the investigative report but they refused, also refused to give us the incant medical reports and x-ray records or that are necessary to retain Attorney. I find an attorney but he needed this documents before taking case. They also refuse to give us these documents so the attorney will not be able to file for summary judgment. I have informed both courts that I am unable to represent myself because of my Medical Condition and provided letter from my Dr. Appendix C and along with a declaration under oath Appendix E and requested appointment of counsel not necessary under 6th Amendment but under civil rights such as Act of 1964 42 USC 2000e 5 (f) (1) Both courts denied request, refused to compel Respondents to give me Medical documents to retain attorney instead issue sanctions against me which is unusual and cruel punishment, 8th amendment. Refusing to appoint Counsel or Compell Respondents to give me Medical records to retain an attorney is violation of 14th Amendment Respondent can not get away with Murder as they Killed my Mom.

REASONS FOR GRANTING THE PETITION

~~I am still very sick and my Medical Condition remains the same and it is preventing me from preparing this writ properly.~~

Respondents can not act above Law and get away with it because they will keep on doing it to several other Citizens
They operated on and damaged my Mom's Lung and lited it and concealed it from us and decided to Kill her with Certain Chemicals without our Consent instead of Treatment.
My Mom is asking for Justice and requesting this Honorable Court to grant this petition and appoint counsel because she also have a very strong case and the attorney may also be able to file a summary judgment.

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Nonredine ELIAS
