Re: *Lee M. Zeldin, Administrator, Environmental Protection Agency, et al. v. Climate United Fund, et al.*, No. 26-589

Dear Mr. Harris:

I am counsel of record for the Coalition for Green Capital ("CGC"), one of the Respondents in the above-referenced proceeding. The petition for a writ of certiorari in this case was docketed on November 4, 2026. Respondents' responses, including CGC's, are currently due December 4, 2026.

Pursuant to this Court's Rule 30.4, Respondent respectfully requests a 30-day extension of time, to and including January 4, 2027, within which to file a response.[1] This extension is requested in light of counsel's competing and preexisting professional commitments, intervening court deadlines, the number of respondents involved in this case, and the nature of the proceedings.

For these reasons, CGC respectfully asks that its requested 30-day extension be granted for all Respondents, and that the deadline for all Respondents to submit their respective responses to the petition be set to January 4, 2027..

Respectfully submitted,

/s/ Vincent Levy

[1] CGC's 30-day requested extension would make the deadline for its response to the government's petition due no later than January 4, 2027, since January 3, 2027 (the final day of the 30-day extension) falls on a Sunday. *See* Sup. Ct. R. 30.1.
