Re: No. 26-600, Arentz Family, LP, et al. v. PSEG Renewable Transmission LLC
Application for Extension of Time to File Response to Cert. Petition

Dear Mr. Harris:

Pursuant to Supreme Court Rule 30.4, I am writing on behalf of Respondent PSEG Renewable Transmission LLC to respectfully request a 30-day extension of time to respond to the Petition for a Writ of Certiorari in the above-captioned case.

The Petition for a Writ of Certiorari was docketed on November 6, 2026. The current deadline for the response is December 7, 2026. A 30-day extension would move the filing deadline to January 5, 2027.

This extension is required because of the press of prior professional and personal commitments, including a brief in *L.J. v. Rodgers*, Civ. A. No. SAG-84-4409 (D. Md.), a daughter's wedding, and a scheduled vacation. Other counsel have a significant federal trial commencing on December 7. Additionally, the upcoming Thanksgiving and winter holidays will limit the time available to prepare the response. This additional time will ensure that Respondent can fully address the complex legal issues raised in the Petition, thereby assisting the Court in its consideration of this matter.

In accordance with Rule 30.4, this application is being submitted at least 10 days prior to the current deadline. Petitioner, via its counsel Aaron Newell, consents to this extension.

Thank you for your time and assistance with this matter.

Respectfully submitted,

Mitchell Mirviss
