-------------------------------	---

Pursuant to this Court's Rule 13.5 and 28 U.S.C. § 2101(c), Applicant Peter J. Murrugarra, pro se, respectfully requests a sixty (60) day extension of time, up to and including September 18, 2026, within which to file a petition for a writ of certiorari to review the April 21, 2026 order of the Supreme Court of Connecticut in No. PSC-250299. This application is submitted separately, in response to the July 17, 2026 letter of Case Analyst Howard Cook of the Clerk's Office (the "Cook Letter"), which returned Applicant's original consolidated Rule 13.5 application (docketed as No. 26A71 on July 15, 2026) under Rule 12.4.

In support of this application, Applicant states as follows:

I. THE ORDERS AND THIS COURT'S JURISDICTION

1. Applicant seeks review of an order entered by the Supreme Court of the State of Connecticut on April 21, 2026 in No. PSC-250299 (the "Order"). The Order is the Connecticut Supreme Court's April 21, 2026 denial of Applicant's Petition for Certification in No. PSC-250299, which finally determined federal Due Process notice-and-opportunity-to-be-heard questions arising from the underlying Connecticut Appellate Court judgment in No. AC 49006. A copy of the Order is reproduced at Appendix A hereto.

2. This Court has jurisdiction under 28 U.S.C. § 1257(a). The orders finally determine federal issues in the highest court of the State of Connecticut in which decision could be had, within the meaning of § 1257(a) as construed in *Cox Broadcasting Corp. v. Cohn*, 420 U.S. 469, 476-83 (1975).

3. Under this Court's Rule 13.1, a petition for a writ of certiorari from the April 21, 2026 orders is due on or before July 20, 2026, which is ninety days from the date of the orders. This

application, filed on or before July 10, 2026, is timely under Rule 13.5, which requires that an application to extend the time to file a petition for a writ of certiorari be filed at least ten days before the date the petition is due.

II. FACTUAL AND PROCEDURAL BACKGROUND

4. The underlying action is a foreclosure proceeding pending in the Superior Court of Connecticut, Judicial District of Stamford. It has generated a single Appellate Court appeal, AC 49006 (dismissed as moot on January 14, 2026), and, from that appellate action, a series of separately docketed Connecticut Supreme Court certification petitions and ancillary motions, namely SC 250252, SC 250289, SC 250299, SC 250385, and SC 250422.

5. Between January 2026 and April 2026, three separate Connecticut appellate and Supreme Court orders imposed filing restrictions on Applicant proceeding pro se: (a) an Appellate Court order in AC 253407 dated January 14, 2026 restricting appeals and preappeal motions in that court through January 14, 2027; (b) a Connecticut Supreme Court order in SC 250252 dated April 21, 2026 imposing sanctions on Applicant relating to prior Supreme Court practice; and (c) a Court Issuance of the Connecticut Supreme Court dated April 21, 2026 returning Applicant's Petition for Certification in SC 250422 without any articulated defect.

6. On April 20, 2026, Applicant submitted a Petition for Certification through the Connecticut Appellate/Supreme E-Filing System, which was docketed as SC 250422. On April 21, 2026, the Connecticut Supreme Court issued the Return of Petition and the additional orders identified above. On May 1, 2026, within the ten-day period prescribed by Connecticut Practice Book § 71-5, Applicant filed a Motion for Reconsideration of the April 21, 2026 Court Issuance

in SC 250422. The Motion for Reconsideration is reflected on the Connecticut Supreme Court docket as an "OTHER DOCUMENT" filing.

III. GOOD CAUSE FOR THE REQUESTED EXTENSION

7. Good cause supports the requested sixty-day extension. First, Applicant proceeds pro se and requires additional time to prepare and organize a petition for a writ of certiorari that presents federal questions of due process, access to courts, and equal protection preserved throughout the state-court proceedings. Applicant is not a lawyer and has been representing himself in multiple concurrent forums.

8. Second, the underlying record centers on a single foreclosure proceeding (FST-CV-13-6017236-S) and a single Appellate Court appeal (AC 49006, dismissed as moot January 14, 2026). Under Connecticut appellate practice, each petition for certification and each ancillary motion arising from that Appellate Court action was separately docketed by the Connecticut Supreme Court, yielding docket numbers SC 250252, SC 250289, SC 250299, SC 250385, and SC 250422. Preparing an appropriate appendix that reconstitutes the coherent underlying record from these separately docketed but procedurally interrelated matters requires meaningful preparation time.

9. Third, related proceedings remain pending in the Superior Court that require Applicant's ongoing attention during the same period, including a Motion to Open Judgment under Connecticut General Statutes § 49-15 filed by Applicant on July 7, 2026 (Entry 332) and its accompanying Affidavit of Good Cause under Practice Book § 61-11(g) filed on July 8, 2026 (Entry 333). Applicant respectfully submits that the additional sixty days will permit an orderly presentation of the federal questions raised by the April 21, 2026 orders without prejudicing Applicant's ability to address the concurrent proceedings.

10. Fourth, Applicant's Motion for Reconsideration of the April 21, 2026 Court Issuance in SC 250422 remains pending on the docket of the Connecticut Supreme Court. Although Applicant does not rely on the pendency of that motion for the timeliness of this application—and files this application under Rule 13.5 to preserve certiorari review from the April 21, 2026 orders—the pendency of the reconsideration motion supports the granting of a reasonable extension so that any further Connecticut Supreme Court action on the reconsideration motion may be considered as part of the certiorari-review record.

11. Fifth, Applicant respectfully submits that no party will be prejudiced by the requested sixty-day extension. Respondent, a national trustee holder of a mortgage-backed securities interest represented by counsel, is well positioned to respond to any petition filed on the extended timetable. The underlying foreclosure judgment has been of record since 2017 and further extensions of routine appellate timing do not disturb the status of that judgment.

IV. RELIEF REQUESTED

12. Applicant respectfully requests that the time for filing a petition for a writ of certiorari to review the April 21, 2026 Order of the Connecticut Supreme Court in No. PSC-250299 be extended by sixty (60) days, up to and including September 18, 2026.

Respectfully submitted,

A handwritten signature in black ink, reading "Peter Murrugarra", written over a horizontal line.
