Hi. We're probably going to move for an additional 30 days to file the cert petition (which is currently due September 30). The reasons are (1) we

had to get the opinion translated for Blondet; (2) we're still trying to schedule a legal call with him; (3) apparently he will be transferred soon, which will interfere with orderly and timely communications, and (4) at that point we'll have to get the draft translated for him as well before we file. Please let me know the government's position.

Thanks,
