
IN THE
SUPREME COURT OF THE UNITED STATES

October Term 2025

Anthony Dominic Seven, Petitioner

v.

State of Utah, Respondent

*Application for Extension of Time to File Petition for Writ of Certiorari
to the United States Court of Appeals for the Tenth Circuit*

To the Honorable Neil M. Gorsuch, Associate Justice of the Supreme Court of the United States and Circuit Justice for the Court of Appeals for the Tenth Circuit:

Pursuant to Rule 13.5 of the Rule of this Court and 28 U.S.C. §2101(c), Petitioner, Anthony Seven, respectfully requests a 30-day extension of time to file petition for Certiorari to this Court. Current Certiorari submission deadline is September 30, 2026. Order issue date for Utah Supreme Court case number 20260655 came on July 2, 2026.

1. Under this Court's Rule 13 (1), Certiorari "is timely when it is filed with the Clerk of this Court within 90 days after entry of the judgement." This

application is being filed more than 10 days before the final end date of 9/30/26. The jurisdiction of this Court is invoked under 28 U.S.C. § 1257.

2. This case arises from the Salt Lake County, district court case #191904490. Case involved “Due Process and Ineffective Counsel” constitutional rights violations. The appeal was denied using law found unconstitutional by the Utah Supreme court followed by the Utah Supreme Court denying a discretionary review. The extreme prejudice against defendant lead to loss of novel science, credibility and career.

The reasons for time extension request include the following. The Petitioner is pro se and the Certiorari has to be done correctly. Currently, defendant lost available time for writing this writ due to being pro se for two additional second-degree felony charges for the same charge in this petition for Certiorari. Those are because of ongoing abuse from Utah and extreme prejudice against Anthony Seven. Self defense as a “crime of necessity” is position of this applicant. Complicating issues, Anthony Seven is currently homeless staying at Gail Miller Homeless Shelter in Salt Lake City. Government corruption is the origin of all criminal cases for this petitioner and reason for Anthony Seven being homeless.

Importance of this Writ is; 1) recovery of stolen property valued at over \$1 billion and novel science advancing all diabetes science and metabolism. 2) A successful writ will be used for defense in both current criminal cases. In the event of a loss at trial, a successful writ will impact the matrix for a prison sentence. The

worst scenario is "life in prison" for a fourth strike where all cases are a direct result of fighting back against ongoing corruption and abuse of Anthony Seven.

This case is beyond a miscarriage of justice and more characteristic of Communist China, the former Soviet Union or Nazi Germany than what the USA and Constitution stand for. Anthony Seven is wholly justified. Action by the US Supreme Court is required to right inferior courts and whole of governments actions.

Petitioner, Anthony Seven, respectfully requests that an order be entered extending time to complete petition for Certiorari for 30 days past current required completion date of September 30, 2026.

Sincerely,

A handwritten signature consisting of the letters 'A' and 'S' in a stylized, cursive-like font, positioned above a horizontal line.
