Re: ***K.M.K. v. Wash. Interscholastic Activities Ass'n*, No. 26A458**

Dear Mr. Harris:

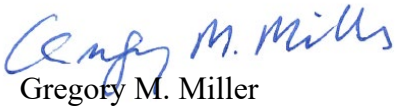

This letter on behalf of the Puyallup School District (the "District") addresses Applicants' letters dated November 3 and 10, 2026, and takes into account the letters of the Washington Interscholastic Activities Association ("WIAA") dated November 9, and the Attorney General of Washington, dated November 10 ("AGO Letter").

The District will provide supplemental briefing regarding the status of IL26-638 if requested. However, we do not believe that pending legal challenges to IL26-638 meaningfully change anything provided in the District's Opposition to the Emergency Application for an Injunction Pending Appeal filed October 13 ("PSD Opposition").

Applicant K.M.K. is not precluded from participating in wrestling. She may register and participate and knows the District will not impose any penalty on her if she elects to forfeit a match against a transgender opponent. *See* PSD Opposition at 7, 9. In the Emergency Application, Applicants seem to accept there may be natural consequences of a forfeit if K.M.K. proceeds to tournaments or post-season championships—K.M.K. accepts a loss and then continues to compete in a consolation bracket,. *See, e.g.*, Emergency Application at 2 (seeking ability to opt-out of matches). K.M.K. is already aware of two transgender girls within the District who she was concerned may participate in wrestling this season; but the Attorney General's letter notes that "the first stopped wrestling last season" and that the other "competes in a different weight class." AGO Letter at 2. As already explained, the District does not have information sufficient to identify any other potential transgender competitors that may participate in wrestling this season. *See* District Opposition at 15-16. An injunction pending appeal therefore will not provide Ms. Brown or K.M.K. with any meaningful relief and thus is not warranted.

Respectfully Submitted,

CARNEY BADLEY SPELLMAN, P.S.
