Petitioner

v.

Sean Fluegge,
Respondent

*ON PETITION FOR A WRIT OF CERTIORARI
TO THE UNITED STATES COURT OF APPEALS
FOR THE FIFTH CIRCUIT*

APPLICATION FOR EXTENSION OF TIME TO
FILE A PETITION FOR WRIT OF CERTIORARI

The Petitioner/Appellant, hereinafter Informant, on behalf of himself and his fellow countrymen, respectfully applies for an extension of time to file a petition for writ of certiorari in the Fifth Circuit of the United States Court of Appeals to review a purported judgment and/or order of the Fourth Court of Appeals in the State of Texas. Pursuant to **Rule 13.5** of the Supreme Court of the United States and **28 U.S.C. 2101(c)**, the Informant, Nikolaj Zbikowski, respectfully requests for a sixty (60) day extension of time to file their petition for certiorari, and/or an amended petition for certiorari, to this Court by **December 14, 2026**, and would show the following good cause and/or compelling reasons in the interest of justice:

- a) No less than one court in the state of Texas has purportedly decided on no less than one important question of federal law that has not been, but should be, settled by the Supreme Court of the United States AND/OR has decided on no less than one important federal question in a way that conflicts with the relevant decisions of the Supreme Court of the United States. *See Rule 10(c) of the Supreme Court of the United States.*
- b) The Informant, Nikolaj Zbikowski, identifies himself as the *sui juris* party seeking an extension of time to file a petition for writ of certiorari in the interest of justice. *See Appendix Tab A and B.*
- c) For good cause, a Justice may extend the time to file a petition for a writ of certiorari for a period not exceeding 60 days. *See 28 U.S.C. 2101(c) and Rule 13.5 of the Supreme Court of the United States.*
- d) The Informant has reason to believe that an additional extension of sixty days will assist international, military, federal, state, and/or local law enforcement with any ongoing investigation of no less than one criminal street gang and/or foreign terrorist organization operating inside and/or outside the United States territory. *See Appendix Tab C and D.*
- e) The Informant has attached and/or filed no less than one ‘Motion for Leave to proceed *In Forma Pauperis*’ along with the ‘Petition for a Writ of Certiorari. *See Rule 12.2 of the Supreme Court of the United States.*

- f) The Informant has reason to believe and does believe that this document complies with the provisions under **Rule 33.2** of the Supreme Court of the United States.
- g) An additional extension of sixty (60) days will permit the Informant to accumulate any necessary income to file, serve, or otherwise submit future documents that comply with the provisions under **Rule 33.1** of the Supreme Court of the United States, if required by this Court.

Wherefore, the Informant respectfully requests that an official ORDER be entered extending the time to file a petition, or an amended petition, for writ of certiorari until no later than **December 14, 2026**, in order to better assist any active investigation of no less than one (1) criminal street gang and/or foreign terrorist organization operating inside and/or outside the United States territory.
