

CASE No. _____

IN THE UNITED STATES SUPREME COURT

Jeffrey D. Leiser,

Petitioner,

v.

Dr. Daniel La Voie, et al.,

Respondents.

MOTION FOR TIME EXTENSION TO
FILE PETITION FOR WRIT OF CERTIORARI

Now comes Petitioner Leiser hereby request this Honorable Court to extend the time for filing a Writ of Certiorari that is do on Oct 29, 2026. This request is made with good cause as follows; under Rule 30.

- 1) On September 30 2026, while working on my writ of certiorari in the Redgranite Law Library on my thumb drive. While down loading the contents under S.Ct. Rule 14 on Redgranite Correctional Inst (RGCI) West Law Computer System I ejected it and went to the Word Processor inserted the thumb drive and my entire (43 Files) were deleted.
- 2) I Lost 10 months of Legal Documents/Research in a matter of 30 seconds. There is no way I can complete a writ of certiorari by the deadline of Oct 29th 2026.
- 3) As this Court may know I did write requesting a IFP & Copy of a Writ of Certiorari in a hand written request. Had I known that someone here (in Leiser's opinion) would sabotage my effort to seek justice, I would have typed it on my type writer.

I hope this Court will grant my request for a 45 day time extension.

Respectfully Requested,

Dated this 1st day of October 2026

Jeffrey D. Leiser
