Comments:

Although Oren Zeve works for the New York State Attorney General's office as its Managing Assistant Solicitor General and expressed in a letter dated 2/18/26 that he filed in Komatsu v. City of New York, No. 26-210 (2d Cir. Jul. 14, 2026) that the State of New York personnel listed in the preceding table actually aren't parties in that appeal for the reasons that he gave in that letter, I still served him a copy of this motion to be construed as a petition for a writ of certiorari and the fee waiver application for it in the event that this Court may require such service upon him.
