Motion For Extension Of Time

Comes now the Movant Michael Henderson Pro-se and moves this Honorable Supreme Court for an extension of sixty (60) days in which to prepare and submit his Petition for a Writ of Certiorary from his Appeal to the Eleventh Circuit Court of Appeals on Application for Petition for Habeas Corpus to the Federal District Court in the Middle District of Florida.

As grounds for granting this motion the Movant submits;

1. Movant is an incarcerated Pro-se litigant not trained in law and greatly limited to access to legal materials and the law library.
2. Movant seeks to present a complete, cogent, legitimate Petition in which a question of great Public Importance should be answered regarding Movant's Constitutional Right to a Fair trial
3. Movant seeks only (60) sixty days additional time to compose and submit his Petition which would render the due date ON JANUARY 12, 2027.
