**APPLICATION FOR A 60-DAY EXTENSION OF TIME TO FILE A PETITION  
FOR A WRIT OF CERTIORARI PURSUANT TO SUPREME COURT RULES  
13.5, 21, AND 30**

---

TO THE HONORABLE ELENA KAGAN, ASSOCIATE JUSTICE OF THE SUPREME  
COURT OF THE UNITED STATES AND CIRCUIT JUSTICE FOR THE NINTH  
CIRCUIT:

Applicant Huguette Nicole Young, J.D., acting *pro se*, respectfully requests a  
60-day extension of time to file her Petition for a Writ of Certiorari in this matter,  
pending final disposition of her related Petition for a Writ of Mandamus

In support of this Application, Applicant states as follows:

1. The Supreme Court of California entered an order denying Applicant's timely Petition for Review on August 12, 2026 (Case No. S296900), a copy of which is attached to this Application. Under Rule 13.1, the current 90-day deadline for Applicant to file a Petition for a Writ of Certiorari in this Court is Monday, November 10, 2026. This Application is being submitted more than 10 days before that date in compliance with Rule 13.5.

2. This Court possesses jurisdiction over the underlying constitutional issues under 28 U.S.C. § 1257(a). Unlike Applicant's parallel extension track under Application No. 26A487—which addresses specific lower-court database tampering—this upcoming Petition targets the direct institutional source of that systemic corruption: California's constitutional provision mandating that state judges and justices stand for popular election. Applicant intends to present structural constitutional questions demonstrating that forcing judicial officers to survive partisan election blocks invites systemic database fraud, alters judicial independence, and turns the courts into raw political tools. Enforcing these unconstitutional state frameworks violates Applicant's Article I due process safeguards, Article I equal protection mandates, the First Amendment right to petition for redress, and the Article IV Section 4 guarantee of a Republican Form of Government.

3. Good cause exists for the requested 60-day extension. Specifically, Applicant has a

pending, active Petition for an Extraordinary Writ of Mandamus and accompanying Threshold Motions currently before this Court under an un-docketed tracking block (delivered to the Court's physical custody on September 29, 2026, via USPS Tracking No. 9405 5301 0935 5603 4556 55).

4. To ensure full administrative transparency and establish an un-deletable public record of processing delays, Applicant incorporates the following Formal Demand for Accounting directly into the body of this Application:

#### **FORMAL INQUIRY & DEMAND FOR ACCOUNTING**

To the Clerk of the Court, U.S. Supreme Court (October 15, 2026):

Applicant formally documents that over 16 calendar days have elapsed since the Court took physical possession of her substantive Mandamus payload on September 29, 2026. On Wednesday afternoon, October 14, 2026, at 1:42 PM EDT, Applicant utilized the Court's public assistance channel at (202) 479-3011 to leave a recorded status inquiry. Applicant has received no telephonic response nor observed any new docket entries over 24 hours after that call. Applicant published the complete, unedited audio and screen-recorded visual trace—displaying the real-time device timestamp—to the permanent public internet archive at: <https://youtu.be/hOoQxCHikws>. The literal transcript of that inquiry is preserved as follows:

“Hello. My name is Huguette Nicole Young. I'll spell the first name. H-U-G-U-E-T-T-E. I'm an Applicant *Pro Se*. My phone number is (415) 948-8076. I'm calling to check the status of my Petition for an Extraordinary Writ of Mandamus and accompanying motions that I mailed on September 24. The USPS tracking number for this filing packet is 9405 5301 0935 5603 4556 55, and the tracking shows it was picked up at the Washington, DC, post office by somebody from the Court on September 29, 2026. It's been three weeks, and I haven't seen anything in docket searches nor have I received anything in the mail. Please let me know the status of this filing. Thank you.”

Because the final adjudication or distribution of that underlying Mandamus petition determines the definitive record scope of this elected-judiciary challenge, judicial economy dictates that the Mandamus track clear the ledger before Applicant finalizes this Certiorari brief.

5. Furthermore, Applicant is an unrepresented litigant proceeding *in forma pauperis* on a verified fee waiver. Because Applicant is forced by current rule structures to rely entirely on an expensive, physical paper printing and postal mailing pipeline to deliver complex forensic records to this Court, additional time is logistically required to assemble, copy, and dispatch the massive upcoming payload. Forcing an unrepresented citizen to navigate these archaic monopolies to secure judicial review functions as an unconstitutional wealth barrier; this obstacle violates Applicant's Article I due process safeguards, Article I equal protection mandates, the First Amendment right to petition for redress, and the Article IV Section 4 guarantee of a Republican Form of Government.

6. This request is made in good faith and not for unnecessary delay. No previous extensions have been requested or granted in this case.

WHEREFORE, Applicant respectfully requests that an order be entered extending her time to file a Petition for a Writ of Certiorari by 60 days, up to and including January 9, 2027.

Dated: October 15, 2026

Respectfully submitted,

A handwritten signature in cursive script that reads "Hugnette Nicole Young".
