SUPREME COURT OF THE UNITED STATES

Cammie L Marceaux _____ PETITIONER

Vs.

State of Arizona _____ RESPONDENT

Motion for Extension of time to file Writ of Certiorari

ON an Appeal from

United States Court of Appeals for the Ninth Circuit

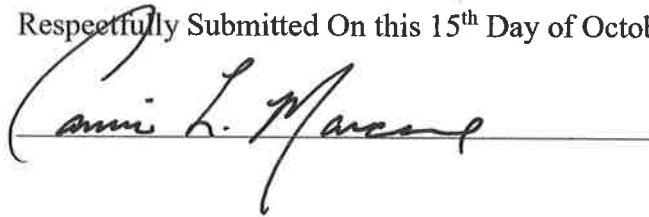

Case Number 25-1977 Mandate dated August 3, 2026 Order of Dismissal

I need at least another 60 days to provide the Writ of Certiorari. The night I received the dismissal from the Ninth Circuit, I fell in my front yard and Broke my leg August 10th 2026. After waiting for an answer for almost two years. It hit me so hard I fell to my Knees again. This is an ongoing case that has been before several Prior courts and is rather lengthy with prior case histories dating back to 2017. And related to a case already presented to this United States Supreme Court case Number 21- 30. This is a Civil Rights

matter in connection with the prior case that was denied by this court for review.

For that reason and many more I beg for the Extension of time to extend to December 31, 2026.

Respectfully Submitted On this 15th Day of October 2026
