SUPREME COURT OF THE UNITED STATES

Angel Kashfian, Applicant, Self-Represented
v.
State Farm General Insurance Company, Respondent

APPLICATION TO EXTEND TIME TO FILE A PETITION FOR A WRIT OF CERTIORARI

Supreme Court Rules 13.5 and 22

To the Honorable Justice allotted to the Ninth Circuit, through the Clerk of the Supreme Court of the United States:

I, Angel Kashfian, respectfully request a 60-day extension of time, from November 17, 2026, through January 16, 2027, to file a petition for a writ of certiorari in my litigation against State Farm General Insurance Company.

1. Decision and jurisdiction. I seek review of the California Court of Appeal decision in Case No. B337065. The California Supreme Court denied discretionary review on August 19, 2026, in Case No. S297397. I intend to present federal due-process questions concerning the proceedings below. I invoke 28 U.S.C. § 1257(a), subject to this Court's determination of jurisdiction and reviewability.

2. Present deadline. Under Rule 13.1, the 90-day period following the August 19, 2026 denial of review ends November 17, 2026. This application is submitted before that deadline and requests an extension under Rule 13.5.

OFFICE OF THE CLERK
SUPREME COURT, U.S.

APPLICATION FOR EXTENSION OF TIME

3. Good cause. I am self-represented and need additional time to assemble and review the state-court opinions, orders, transcripts and relevant portions of the record, identify the federal questions accurately, and prepare a petition complying with this Court's rules.

Physical limitations and back pain have made preparing and organizing court papers difficult. Transportation difficulties and a lack of running water at home have also interfered with preparation. I must also prepare civil motions in other California proceedings. These circumstances have limited the time and assistance available to prepare this petition.

4. Supporting documents. The accompanying materials include the California Court of Appeal opinion in Case No. B337065 and the California Supreme Court's August 19, 2026 denial of review in Case No. S297397.

5. Requested relief. I respectfully request an extension of 60 days, through January 16, 2027, or such other date as the Justice determines appropriate under the applicable rules. This request is made solely for Applicant Angel Kashfian.

Respectfully submitted,

Signature: Angel Kashfian
