

No. 25-7384

IN THE SUPREME COURT OF THE UNITED STATES

SUALEH KAMAL ASHRAF,
Petitioner,

v.

UNITED STATES DRUG ENFORCEMENT ADMINISTRATION,
Respondent.

- SECOND APPLICATION FOR EXTENSION OF TIME
- TO FILE PETITION FOR A WRIT OF CERTIORARI
- IN COMPLIANCE WITH THE COURT'S ORDER

To the Honorable Chief Justice of the United States, or to the Justice assigned to consider this Application:

Petitioner, **Dr. Sualeh Kamal Ashraf**, respectfully applies for a further extension of **thirty (30) days**, through and including **September 11, 2026**, within which to file a petition for a writ of certiorari that complies with Supreme Court Rule 33.1 and this Court's Order of June 22, 2026, denying Petitioner's Motion for Leave to Proceed in forma pauperis.

This Application is submitted before the expiration of Petitioner's current filing deadline and in accordance with the Court's Order advising Petitioner that he may seek an extension of time.

Good cause exists for the requested extension. Petitioner is proceeding **pro se** and has been diligently attempting to comply with the Court's requirements. Because Petitioner is presently in Ocala, Florida, he has encountered significant difficulty obtaining access to appropriate facilities and commercial printing services capable of producing the petition in the booklet format required by Rule 33.1.

During the past several weeks, Petitioner has continued working to complete the petition and has now located a commercial printing service capable of producing the required booklet-format copies. Petitioner is actively arranging for the petition to be printed and prepared in compliance with the Court's requirements.

The additional time requested is necessary to allow Petitioner to:

1. finalize the petition and ensure that it complies with the requirements of Supreme Court Rule 33.1;
2. complete the required booklet-format printing and production;
3. prepare the required number of copies for filing with the Court;
4. complete service upon Respondent; and
5. assemble and submit all required filing materials in accordance with the Court's Rules and the June 22, 2026 Order.

Petitioner respectfully submits that the requested extension is particularly appropriate because the present deadline arose after the Court denied Petitioner's request to proceed in forma pauperis and directed him to submit a petition complying with the Court's Rules. Petitioner has been making good-faith efforts to comply with that directive and has made substantial progress toward completing the required filing.

Petitioner recognizes that this is a further request for an extension and therefore respectfully assures the Court that the requested additional thirty days are sought for the limited purpose of completing the petition and satisfying the Court's filing and production requirements. Petitioner does not seek the extension for purposes of delay.

The petition presents questions of federal law that Petitioner respectfully believes warrant consideration by this Court. The requested extension will permit Petitioner to present those issues in a complete and properly prepared petition rather than risk submitting a petition that does not comply with the Court's formatting, printing, service, and filing requirements.

No party will suffer prejudice from the requested extension.

WHEREFORE, Petitioner respectfully requests that the Court enter an order extending the time for Petitioner to file his petition for a writ of certiorari **through and including September 11, 2026**, or for such other period as the Court deems just and proper.

Respectfully submitted,

Dr. Sualeh Kamal Ashraf
