☐ Yes ☒ No

If yes, how much? _____

If yes, state the person's name, address, and telephone number:

12. Provide any other information that will help explain why you cannot pay the costs of this case.

I am unable to pay the costs of this case due to my limited and unstable income. Although I receive income from self-employment, it requires significant operating expenses, including fuel and vehicle maintenance, which substantially reduce my available net income.

My total monthly expenses exceed my income, and I am frequently unable to meet all financial obligations on time. I must often delay certain payments in order to cover basic living expenses for myself and my family.

Due to these financial constraints, paying the costs associated with this case would create a substantial hardship and interfere with my ability to meet essential needs.

I declare under penalty of perjury that the foregoing is true and correct.

ATTACHMENT – ADDITIONAL FINANCIAL EXPLANATION

Petitioner provides the following breakdown of monthly expenses included in the affidavit:

Household / Family Expenses (dependents):

- Food (family portion): approximately \$1,600 per month
- Education expenses (daughter): \$400 per month

Petitioner's Personal Expenses:

- Food (personal portion): approximately \$800 per month
- Internet: \$35 per month
- Phone: \$62 per month
- Insurance: \$62 per month

Business Expenses (Self-Employment):

- Fuel: approximately \$1,400 per month
- Vehicle maintenance: approximately \$100 per month

Other Obligations:

- Child support: \$200 per month

Petitioner provides financial support to his household, including regular weekly contributions of approximately \$400 to assist with living expenses for his partner and dependent child.

In addition, Petitioner contributes to education-related expenses of approximately \$400 per month and transportation-related expenses, including vehicle payments of approximately \$300 per month, necessary for travel to and from school.

Although Petitioner is not legally married, he contributes to household expenses and provides financial support for individuals who rely on him.

Petitioner's income is insufficient to consistently meet these combined obligations. As a result, Petitioner frequently falls behind on certain payments and must prioritize essential living and operating expenses.

Paying the costs associated with this case would create a substantial financial hardship.

I declare under penalty of perjury that the foregoing is true and correct.
