Case Management Order No. 2

Order Rescheduling Hearing on Intervention Motions and Telephone Conference

March 3, 2008

We have been advised by the Clerk of the Court that the motion for leave to intervene filed by the City of Charlotte was placed on the February 27th Conference List and will be considered at the March 14th Conference. One possible outcome is that the Court may refer the motion to the Special Master, as it has done with the prior motions to intervene. In the meantime, the City of Charlotte has requested to have oral argument for its motion on the same day as the argument scheduled for the previously-filed motions to intervene, and there has been no objection to that request from other parties or proposed intervenors. Accordingly, the hearing on the two previous motions for leave to intervene filed by Catawba River Water Supply Project and Duke Energy Carolinas, LLC, now scheduled for March 14, will be moved by two weeks so that the motion by the City of Charlotte, if referred to the Special Master, may be argued at the same time as the other motions. The new date, absent objections from parties or movants, will be March 28, 2008, at 9:00 a.m., in Richmond, Virginia. The telephone conference previously scheduled for March 10, 2008 at 1 p.m. Eastern now will be held on March 14 at 1 p.m. Eastern.
