¹ Formal removals from the United States pursuant to final orders of exclusion, deportation, or removal.

² Voluntary departures from the United States that are verified by the Department of Homeland Security. Voluntary departures are a form of relief from formal removal, under which an alien is permitted to depart the United States voluntarily. Most of the voluntary departures are of Mexican nationals who have been apprehended by the U.S. Border Patrol and are returned to Mexico.

³ Includes the 15 months from July 1, 1975 to September 30, 1976 because the end date of fiscal years was changed from June 30 to September 30.

² Voluntary departures from the United States that are verified by the Department of Homeland Security. Voluntary departures are a form of relief from formal removal, under which an alien is permitted to depart the United States voluntarily. Most of the voluntary departures are of Mexican nationals who have been apprehended by the U.S. Border Patrol and are returned to Mexico.
