Democracy
We believe democracy only works when it works for everyone.

Support GMO Labeling
Ben & Jerry's is proud to stand with the growing consumer movement for transparency and the right to know what's in our food by supporting mandatory GMO labeling legislation.

We invite you to join us on a journey to better understand the issue of race in our country, to acknowledge the existence of systemic racism and the implicit biases that all of us carry—and to join hands and move forward together.
From a renovated gas station in Burlington, Vermont, to far-off places with names we sometimes mispronounce, the journey that began in 1978 with 2 guys and the ice cream business they built is as legendary as the ice cream is euphoric.
