## **TUITION RATE, GRADES PK-8**

**2024-2025: \$14,300 per child**

The actual cost to educate each child is approximated to be over \$15,700. This cost, less the tuition rate, is funded by St. Bartholomew Parish and the fundraising efforts by the school.

To support our school community and prospective scholars, we have established the St. Bartholomew Educational Fund through the Parish to make the lower tuition rate possible.

## **FINANCIAL AID:**

Grants supported by St. Bartholomew School and Parish are made available for families with demonstrated financial need. All families seeking tuition assistance of any kind should use the Archdiocese of Washington's Financial Aid application available in TADs and must apply (or re-apply annually) for consideration. The deadline to apply is February 21, 2025 for all students (new and returning).

Archdiocesan, school, and parish grants and awards are determined April 2025.

The Contributing Parishioner Pastor's Grant (\$1,300 per child) is applied to parish families who have three or more children enrolled in grades PK3-8 when:

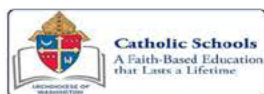

- The family is formally registered in St. Bartholomew Parish
- Worships regularly with their St. Bartholomew students at our Church
- Provides verifiable financial support to our parish. These contributions should be made by using the weekly Sunday envelopes, Flocknote, or Faith Direct.

In addition to the Contributing Parishioner Pastor's Grant, St. Bartholomew families may also apply for tuition assistance directly from the Archdiocese of Washington and/or from Maryland's BOOST program.

Tuition assistance provided directly through the Archdiocese of Washington is given based on demonstrated financial need to Catholic families with students in grades K-8, and may be supplemented by the Parish's Education Fund.

Applications for Tuition Assistance are processed through TADs for the 2025-2026 school year. [Click here to apply](#); deadline February 21, 2025.
