Subject: Florida v. Georgia, No. 142 Orig. -- Subpoena to The Nature Conservancy

Ms. Rousseaux:

The Special Master has received your letter dated June 29, 2015, requesting that The Nature Conservancy be granted additional time to produce documents in response to a subpoena served by the State of Florida in *Florida v. Georgia*, No. 142 Original. Given the limited nature of the requested extension and Florida's consent to the request, the Special Master has granted The Nature Conservancy an enlargement up to and including August 14, 2015 to complete its production of documents. Any further request for extension will be strongly disfavored.
