Subject: Florida v. Georgia, No. 142 Orig.

Mr. Gray:

After reviewing your letter dated July 6, 2015, considering the *Touhy* request and accompanying subpoena served on the Corps of Engineers, and hearing the parties state their position on the United States' request for additional time to respond to the *Touhy* requests served by Florida and Georgia, the Special Master has granted the United States' requested 45-day extension. (This extension shall not apply to the deadline for responding to the recent *Touhy* request served on the State Department.) No further extensions will be granted.
