Re: Wisconsin, et al. v. Illinois, et al., 388 U.S. 426  
(1967), as modified 449 U.S. 48 (1980)

Dear Mr. Gullickson:

Under cover of a letter dated December 14, 1988 I forwarded a copy of the Lake Michigan Diversion Accounting - 1987 Annual Report to your office for the information of the Court. The report was prepared by the U.S. Army Corps of Engineers in accordance with the modified provisions of the Supreme Court decree in the referenced case. You subsequently telephoned to indicate the Court does not have copies of the earlier reports.

In accordance with your request I have obtained copies of the three earlier reports and enclose them herein for the information of the Court. Also enclosed is a copy of the letter received from our North Central Division office which describes the three reports and explains that the Corps annual reports for 1981 and 1982 are included in one volume entitled Annual Report On Lake Michigan Diversion Accounting Years 1981 & 1982, the Corps annual reports for 1983, 1984, and 1985, are included in a report entitled 1985 Annual Report On Lake Michigan Diversion, and that the 1986 annual report is entitled Lake Michigan Diversion Accounting - 1986 Annual Report.

Also enclosed for the information of the Court is the most recent Corps report, which was just completed, which is entitled Lake Michigan Diversion Accounting - 1988 Annual Report. A list of the parties who were provided a copy of this report is included as well. You now have a copy of each of the Corps reports which have been prepared to date. When the next annual Corps report is completed, we will forward a copy of it to you.

Sincerely,

Martin R. Cohen
