

**21-404 UNITED STATES V. WASHINGTON**

DECISION BELOW: 994 F.3d 994

LOWER COURT CASE NUMBER: 19-35673

QUESTION PRESENTED:

Whether a state workers' compensation law that applies exclusively to federal contract workers who perform services at a specified federal facility is barred by principles of intergovernmental immunity, or is instead authorized by 40 U.S.C. 3172(a), which permits the application of state workers' compensation laws to federal facilities "in the same way and to the same extent as if the premises were under the exclusive jurisdiction of the State."
